

“CNC Router”

Making Personalized Lighted Signs

Examples of Signs

This class will fill quickly so don't delay signing up.

In this class you will learn to use a computer to design your project, you will then download your project design into the CNC. You will also make the base and mount the led lighting. When completed you will take home your personalized sign project.

This class will be held at the Learning Center

When: Wednesday, September 25th – October 16th, 2019

Time: 7:30am – 10:30am & 3:30pm – 6:30pm

To sign up, call the Learning Center at 618-709-7234

Or email us at: mmcelroy@gcwlearningcenter.com

Retirees and family members may attend per policy guidelines
