

Learning to build a Teardrop Trailer

“Discussions Course”

Just think what you can do with your very own tear drop trailer!

Due to limited space, you will **NOT** be building the teardrop trailer in this class. There will be physical props and many basic styles.

We will be discussing frame choices, sizes, different sidewall styles, construction techniques and cover everything you need to know to build a teardrop trailer on your own.

You will also learn about Title and licensing of your teardrop trailer once you build one.

This class will be held at the learning center

Classes will be held each Thursday for 4 weeks

Class Dates: September 26th – October 17th, 2019

Class hours: 7:30am-10:30am and 3:30pm-6:30pm

Please call and sign up fast for this class will fill quickly!

To sign up for this class call (618) 709-7234 or email us at mmcelroy@gcwlearningcenter.com

Retirees and family members may attend per policy guidelines
